

STANDARDS COURSE REGISTRATION FORM

The standards course is for camp directors and/or other camp representatives who expect or would like to have an accreditation visit in 2008. The person completing the course is expected to assist the camp in preparation for the accreditation visit and participate in the on-site visit. Directors who are interested in seeking accreditation and may possibly request a visit in the future are also invited. In addition, if you intend to take an associate visitor course in the next year or so, you will need to take this course first.

There is NO COST for this course; however, it is necessary to pre-register at least 10 days prior to the course you will be attending.

NOTE: This form is to register for the Standards Course ONLY. If you would like to register for the Associate Visitors Course, please download the Associate Visitor Course Registration Form at <http://www.acasoutheastern.org/standards/index.php>.
