CIRCLE THE STANDARDS COURSE FOR WHICH YOU ARE REGISTERING

The standards course is for camp directors and/or other camp representatives who expect or would like to have an accreditation visit in 2005. The person completing the course is expected to assist the camp in preparation for the accreditation visit and participate in the on-site visit. Directors who are interested in seeking accreditation and may possibly request a visit in the future are also invited. In addition, if you intend to take an associate visitor course in the next year or so, you will need to take this course first.
